

**15th International Conference for Nubian Studies University of Warsaw
29th August – 4th September 2022**

Dear participants of the 15th International Conference for Nubian Studies,

First, we would like to thank you for all your submissions. To date, 370 participants expressed their will to attend the Conference, of whom 230 have proposed to present a paper. We are sure that all of your contributions will be a valuable asset to the success of the event.

However, if you are not able to participate in the congress, we would appreciate letting us know in advance

The Programme

A preliminary version of the Congress Programme is now ready, and we would like to encourage all the participants to get acquainted with it. We did our best to satisfy all the requests regarding time of presentations as well as correspondence with each particular session's subject. Unfortunately cancellation of some of the proposed sessions that did not meet the required minimum number of participants, as well as some shifts between the sessions, were inevitable. If there are any spelling errors in the title of your presentation or name, please let us know. This is a preliminary version of the program and the order of papers and even the number of papers in a session block may change, please do not plan your arrival to the conference according to this version of the program.

Payments

Payment of the conference fee is now possible, it is 120 euros for scholars and a reduced fee of 75 euros for students (pre-PhD). Participants from Sudan and Egypt are exempted from payment.
